

That's My Mother

Exodus 2:1-15

Intro: My mothers toil tirelessly without recognition, either expected or unexpected. I would like to view four of the Bible mothers today.

I. JOCHEBED, THE BRAVERY OF A MOTHER

Forgetting her own welfare she transgressed the commandment of Pharaoh to bring a deliverer to Israel

II. DEBORAH, THE MOTHER OF A SONG

After delivering Israel she sang praises to God. We would do well to follow her example.

III. HANNAH, THE PRAYING MOTHER

Even though she was barren, she trusted God and He answered her prayer.

IV. RIZPAH, THE LOVE OF MOTHER

When her children were executed by the Gibeonites she protected their bodies from the elements until they received proper burial.

Even with all that can be said about mother, there is no comparison to the Savior and His sacrifice and love for us.
